

TSGP Conference Call Summary  
June 15, 2011  
1:00PM EDT

**Opening Comments:**

Hello, everyone this is our weekly Fiscal Year 2011 Transit Security Grant Program (TSGP) conference call. We will have two more calls before the final application due date of July 5<sup>th</sup>, 2011. Remember the SF-424 is due next Monday June, 27, 2011 via grants.gov. The submission of the final IJs and budgets are due no later than 11:59pm EDT, July 5, 2011 via ND grants.

Most of the other grants programs such as the Urban Areas Security Initiative (UASI), Intercity Bus Security Grant Program (IBSGP), and Freight Rail Security Grant Program (FRSGP) had their SF-424 deadline this past Monday. We did not hear of any issues with the submission process and it has worked smoothly for those grant programs.

I would like to reiterate that the amounts to be submitted on the SF-424 do not need to exactly match your IJs and budgets. We recommend over estimating. We understand cost estimates may change between June 27th and July 5th, and will look to your IJs and detailed budgets for your exact/final requests.

If you have any questions before next week's call, you may submit them via an email to ASKCSID ([ASKCSID@dhs.gov](mailto:ASKCSID@dhs.gov)) and TSA Grants ([TSAGrants@tsa.dhs.gov](mailto:TSAGrants@tsa.dhs.gov)).

At this time we would like to open the line to any questions.
